

A1 SNOW FOAM CAR WASH

Available Sizes:

Description:

This solution combines strong stain removal with paint moisturization to give your car a rapid shine. Anti-static ingredients help to remove static dust. Rich, dense foam improves lubricity, increases hang time, and minimizes small lines when wiping. The recipe is mild and neutral, making it kinder on the skin.

Ingredients:

A blend of gentle cleaning agents, a natural preservative, and purified water.

PH:7

Dilution Ratios:

- PA Foam Cannon: 1:20
- Water Bucket: 1:500

Instruction:

1. Mix the detergent according to the desired ratio, pour it into the PA bottle, and shake well.
2. Use a water blaster to spray foam evenly over the vehicle.
3. Clean the surface with a car wash mitt or sponge.
4. Rinse off all foam thoroughly using a water blaster.

Caution:

- **Keep out of reach of children.**
- In case of accidental contact with eyes or ingestion, rinse thoroughly with water and seek medical attention immediately.
- Do not store in high-temperature areas or under direct sunlight.

WARNING

Car Wash

WARNING:

Can cause nausea, sickness, headache and gastrointestinal irritation if swallowed. Will irritate eyes and can cause eye burning and redness. Can be a mild skin irritant to sensitive individuals.
