

A1PRO HYPER CONCENTRATED CAR WASH SHAMPOO

Available Sizes:

Description:

With an improved water-based emulsified cleansing formula and a higher concentration ratio for greater cleansing power and richer lather, A1pro improves on A1. Its special glazing ingredients give it a glossy finish that resembles a mirror. The increased concentration ratio also significantly lowers agent consumption.

Ingredients:

Deionized Water, Sodium Lauryl Sulfate, Sodium Alpha-Olefin Sulfonate, Fatty Alcohol, Sodium Laureth Sulfate, Polyoxyethylene, Kathon.

PH:7

Dilution Ratios:

- PA Foam Cannon: 1:35 - 1:50
- Water Bucket : 1:1000

Instruction:

1. Mix with water at the desired ratio and pour into a PA Foam Cannon.
2. Shake well, then spray foam using a water blaster.
3. Gently wash the car with a wash mitt or sponge.
4. Rinse thoroughly with a water blaster to remove all foam.

Caution:

- Do not store in high temperatures or direct sunlight.
- This product is an industrial-grade cleaner; do not use it for other purposes.
- **Keep out of reach of children.** In case of eye contact or accidental ingestion, rinse thoroughly with water and seek medical attention immediately.
- Slight sedimentation may occur, which is normal and does not affect product performance.

WARNING:

Can cause nausea, sickness, headache and gastrointestinal irritation if swallowed. Will irritate eyes and can cause eye burning and redness. Can be a mild skin irritant to sensitive individuals.

SAFETY PRECAUTIONS:

Wash hands thoroughly after handling. Wear protective gloves and eye/face protection.

FIRST AID:

| | |
|------------|--|
| Eye | Flush with cold water for at least 15 minutes. Seek medical attention if problems persists. |
| Skin | If skin contact causes irritation remove contaminated clothing and wash thoroughly with soap and water. |
| Ingestion | Do not induce vomiting. Give nothing by mouth. If patient continues to be distressed seek medical attention immediately. |
| Inhalation | Remove to fresh air. If breathing is difficult seek medical attention immediately. |

If medical advice is needed have the product container/label at hand. In an emergency phone the National Poison Centre.(24 hrs): 0800 POISON[764 766].
