

# B10 INTERIOR PROTECTANT & CONDITIONER

## Available Sizes:

### Description:

This product adopts water-based mild formula, which can effectively enhance the gloss of interior panels and leather, and form a layer of invisible water-based protective film on the surface, deeply nourish the material to prevent whitening and aging. Rich in natural plant extracts, the formula effectively isolates moisture and mold, preventing mildew and maintaining a clean and fresh interior for an extended period of time.

### PH: 7

### Ingredients:

Silicone emulsion, glazing agent, surfactant, antistatic agent, glycerin, deionized water

### Dilution Ratio:

The product can be used straight away and doesn't need to be diluted
