

B9 3-IN-1 CLEAN SHINE WAX

Available Sizes:

Description:

Provides a 3-in-1 solution for stain removal, waxing, and water repellency (lotus effect). Stain Remover Wax includes mild stain remover particles that successfully remove tough stains like oxidized layers of paint and limescale without causing damage to the paintwork. Removes some tenacious stains from the paintwork when waxing and does not require further rinses.

Ingredients:

German Hoffmann diatomaceous earth, Clariant S wax, solvent oil, surfactants, and deionized water

Instructions:

1. Squeeze the product on the sponge
2. Wipe the stained area multiple times.
3. Use a towel to wipe clean.

Caution:

- This product is ideal for white automobile paint. Other colours of car paint should be used with caution.
- The texture of the paint is delicate, utilise the pressure edge sponge construction, hard to find magic sponge
- To avoid the paint surface, do not work in the same region for an extended period of time if it contains grinding particles.
- Please do not work while the temperature of the paint surface is too high, and wait for it to cool before proceeding.
- **Keep out of reach of children.**

WARNING

Wax & Detailing

Gloves
